

Proposed amendments to HB 732

1. Section 4: 9: add language to read "The department and OPI shall provide a report to the education and local government interim committee as to whether ...etc."
2. Section 5: 2: add language to read "All funds received by the department in legislative appropriations or as repayment of loans by housing loan program participants must be deposited in the account and used for housing incentive loans and to pay administrative expenses."

Please also mention that there is no FTE requested at this time, but that a request for an additional FTE may be necessary in the future depending upon the amount of funds in the program.
